# 8654 Hinged Security Screen Door Lock

The Lockwood 8654 Hinge Security Door Lock has been designed in Australia and manufactured to stringent quality specifications. The range has been tested in accordance with AS4145.2-2008, offering exceptional performance and reliability. Incorporating Lockwood's advanced safety and security feature, DualSelect®, the 8654 Hinge Security Door Lock is ideal for use in residential applications.
Features and Specifications

- 2 stage key locking, offers safety and security for all occupants by giving a choice of selecting safety mode or secure mode when exiting the home

- Turning the key to the first selection engages the safety lock, this offers security from the outside whilst allowing occupants inside to safely exit using the internal lever and snib

- Turning the key to the second selection engages the secure lock, this provides internal and external security, and requires the key to unlock the door from inside and outside

DUAL SELECT®

Turn the key for **Safety** mode
Turn the key further to select **Secure** mode

Note:
Safety mode: (Privacy-lock / Snibbed)
Secure mode: (Deadlock)

Features and Specifications (Continued)
